

Camp Confirmation

Please be sure of the following:

- Arrive no earlier than 8:45 but by 9:00 each day and meet at the picnic area in front of the barn.
- Wear long pants and boots with a heel (no shorts or capri pants) – hiking boots are a great option – please no sneakers or tennis shoes.
- Wear a shirt that covers the tummy and can get dirty (we prefer no strappy tank tops).
- Hair should be tied back – headbands are a great idea for children with shorter hair, to keep hair out of their face while working, riding and playing!
- Pack snacks, lunch and drinks. We will provide water and refrigerated space for food.
- Be picked up at 3pm from the meeting area. There will be a charge for late pick-ups: Prearranged early drop off or late pick up is available at the rate of \$15 per 30 minutes, when prior arrangements are made and prepaid. **Early drop off and late pick up without prior arrangements will be billed at \$15 for the first 5min – 15 minutes, and \$15 per 15 minutes late/early after that.**

What to Expect:

- After arrival at camp each morning, campers will meet with their camp counselors to go over the days activities and anything important to know for the day.
- Campers will spend part of the morning helping their counselor complete some basic horse care chores, to experience what it's like to own their own horse!
- Following barn time campers will take a quick break for snack and practice their horse terminology (horse breeds, colors, parts of the horse and saddle).
- Campers will groom and tack up their assigned horse (with counselors help if needed) to prepare for their riding lesson.
- Some days campers will all ride together in a group activity or game, other days campers will be divided by skill level and receive a more structured lesson.
- Lunch time.
- Afternoon horsey craft, game, or hands on horse time!
- Cool off in the pool when weather permits.
- Meet at the picnic table for pick up.

What to bring:

- The remainder of the camp fee if not already paid in full. Campers will not be accepted for the first day of camp without full payment for the session.
- A change of weather appropriate clothes for afternoon activities such as games, before/after the pool – summer clothes (shorts, capris, tank tops) are ok but campers must remain in shoes with a closed toe (boots or sneakers) while in the barn or horse area.
- A pair of flip flops for the pool area.
- Sunscreen, bathing suit and towel.
- Lunch, snacks and plenty to drink. A refillable water bottle is a great option – we have a water fountain on site!
